Gamuda Land Clubs Give Back

Happy Diwali from all of us !

Management and staffs from Gamuda Land Clubs namely Kota Permai Golf & Country Club, Horizon Hills Golf & Country Club, Jade Hills Resort Club and Botanic Resort Club recently joined hands in their Corporate Social Responsibility by organizing a Charity visit to the Persatuan Kebajikan Elijah in Johor Bahru. The Home is a shelter to 35 underprivileged Children ranging from 1 to 18 years old.

Led by Gamuda Land Clubs Group General Manager Mr Tang Meng Loon, the Management team and Horizon Hills Liaison Committee members handed over the contributions in cash and in-kind based on the Home's Wish list before joining the children for a fun-filled afternoon. The children happiness were evident as they also received Deepavali packets and goodie bags from the Management. The children were delighted to see the performances by a Clown whilst tucking in to KFC lunch meals brought by the Management. Tang said "We never get tired of seeing the joy on the faces of the recipients, especially the children. We want them to know that, they too are important members of the society". GM Tang added "Looking at the children running around with such energy is a joy to behold".

The annual charity visits to the various Charity organisations aims to foster closer ties between Gamuda Land Clubs and the community. Such charity drives have become a part of the Clubs Corporate Social Responsibility (CSR) since 2008 for the Management staffs to outreach joy to the children and those underprivileged in an effort to let them know they are not forgotten during the festive season.
